

Have you ever wanted to  
“Take a Sad Song, and Make it Better”?

Have you tried to  
“Imagine all the People living life in Peace”?

Do you believe that  
“The Love you Take is Equal to the Love you Make”?

You are invited to  
Inn from the Cold-Kelowna's inaugural:

# Love-Inn

In recognition and celebration of the 40<sup>th</sup> anniversary of John Lennon and Yoko Ono's  
“Bed-In” we are holding a sleepover: a Love-Inn of our own!  
(We think John and Yoko would approve.)

**September 25<sup>th</sup> 2009 1pm – 1am**

Forty strangers will come together for an amazing, emotional and inspirational  
experience, sharing a meal and spending the night together at Inn From the Cold.  
Please join us.

Help ensure that the Inn will open again this year in November, and continue to operate during  
the coldest winter months – start gathering pledges today!
